The Best Place to Learn Tennis

Established in 1975, the NJTLT's summer program initially began at one site with 30 youngsters. The program runs for six weeks (five days a week) during the months of June and August - ending with the "End of the Summer Picnic" extravaganza.

Programs

Tennis Program (ALL AGES)

Beginner/Introduction to Intermediate tennis instruction. Coaches will teach basic fundamentals: technique, movement, rallying the ball, and how to keep score. Every Friday participants will compete in USTA Team Challenge Competitions.

ACE (3RD - 6TH GRADERS)

Our ACE program is designed to provide an academic experience in a fun environment!

Students will learn math/geometry and reading skills. They will also be introduced to the incredible life of Arthur Ashe. Each day students will participate in ACE, have tennis lessons, a second sports activity and be part of a play production class.

STEM (6TH - 8TH GRADERS)

Our summer STEM program introduces Science, Technology, Engineering, and Math to our students. The students will learn about the most exciting industry in the world! They will experience computer programming and other technology. Helping our future scientist and engineers!

Registration
