Cadwalader & Villa Parks

8:30am to 11:30am

Monday thru Thursday (Friday rain makeup)

**Fee: \$72 for all 6 weeks = \$12/per week**  
*The first 10 students to register will each receive an NJTLT water bottle.*

## The best place to learn tennis!

Established in 1975, the NJTL's summer program initially began at one site with 30 youngsters. It now operates at numerous sites with over 500 children. The summer program emphasizes character development and tennis instruction. It provides USTA Net Generation tennis for younger players and intense training for beginners, intermediate to advanced levels. Coaches will teach basic fundamentals: technique, movement, rallying the ball, and how to keep score. Many additional opportunities are offered throughout the summer – field trips, Junior Team Tennis, US Open Arthur Ashe Kids Day trip, Trenton Thunder Baseball games, etc. Many city and local organizations and camps collaborate and utilize the program to incorporate tennis instruction into their programming allowing NJTLT to reach a greater number of students.

## ACE (3rd - 6th Graders)

Our ACE program is designed to provide an academic experience in a fun environment! Students will learn math/geometry and reading skills. They will also be introduced to the incredible life of Arthur Ashe. Each day students will participate in ACE, have tennis lessons, a second sports activity and be part of a play production class.

## SUMMER CHESS CLUB (3rd - 6th Graders)

This program introduces kids in grades 3–6 to chess, helping them develop critical thinking, patience, and problem-solving skills. Through fun and strategic play, they'll build confidence, sportsmanship, and a love for the game!
