

RIDER
UNIVERSITY

COLLEGE ACCESS PROJECT

2023-24

CAP (College Access Project) was designed to help families of NJTL of Trenton learn about college life. This program offers 8th thru 12th graders opportunities to spend time on Rider University's campus with **CID students (Center for Diversity & Inclusion Team Members)** to prepare them for a future at a college/university. Through once a month visits the students will attend college like seminars, and college preparation workshops. Some of the events include attending chaperoned Tennis matches, attending plays/productions, hearing from Rider Professors; and spending time with Rider students to discuss essay writing, college applications, SAT/ACTs, majors and so much more.
